

Mifepristone Ordering Information

This guide provides mifepristone ordering information for **clinicians** and **pharmacies**. There are two distributors of the medicine mifepristone in the United States. GenBioPro is the distributor of the generic mifepristone pill. To order the generic through GenBioPro visit their website <https://genbiopro.com/>. Danco is the distributor of branded mifepristone, called Mifeprex® in the United States. To order mifepristone (Mifeprex®) from Danco, visit their website www.earlyoptionpill.com.

Mifepristone may only be dispensed by or under the supervision of a certified prescriber or by a certified pharmacy on a prescription issued by a certified prescriber. Any pharmacy, including mail order, independent, and national retailers, may become certified to dispense mifepristone. Detailed information on the health care provider and pharmacy certification process is available on the [FDA website](#).

Clinicians/institutions that want to become certified providers of mifepristone:

- The first time you place an order for mifepristone, you must read and sign the distributor's Prescriber Agreement and account setup form. To view the form for [GenBioPro](#), visit [the FDA website](#). To view the form for [Danco](#), visit [the FDA website](#).
- Email, fax, or submit through secure online portal the completed Prescriber Agreement and Account Setup Form to the distributor. Danco will also need a copy of your state license number and DEA#.
- After your account is set up, future orders can be made over the phone by calling the distributor directly. You can call GenBioPro at 1-877-239-8036. You can call Danco at 1-877-432-7596.
- Payment is by credit card or established line of credit.
- Generic mifepristone has a 3-year expiration date. Mifeprex® has a 5-year expiration date.
- Any unused, unopened generic pills can be returned to GenBioPro for exchange up to one year after expiration date. Unused, unopened Mifeprex® can be returned to Danco for return or exchange within 30 days prior to its expiration date.
- The distributors run toll free, on-call provider network of experienced mifepristone providers available to answer emergency and non-emergency questions: GenBioPro's Hotline: 1-855-MIFE-INFO (643-3463) and Danco's Mifeprex® Hotline: 1-877-432-7596
- Discount price available for National Abortion Federation (NAF) members through NAF Group Purchasing. To join NAF, call 202-667-5881 ext. 226.

Pharmacies that want to become certified to dispense mifepristone:

- Pharmacies that wish to become certified must sign a Pharmacy Agreement Form with [Danco](#) or [GenBioPro](#) that requires pharmacies to designate an authorized representative to carry out the certification process and oversee implementation and compliance with the mifepristone REMS program.
- Forms should be emailed or faxed to the distributor of mifepristone.

Providers that want pharmacies (mail-order and/or brick-and-mortar) to dispense mifepristone to their patients:

- Providers must provide the certified pharmacy their Prescriber Agreement Form by email or fax and obtain the NDC and lot number of the package of mifepristone received by the patient.
